I love lasagna!

Sam: Lasagna's my favorite food that I eat
It has oodles of noodles all layered and neat
And what's in between is the tastiest treat
Oh I love lasagna!

Chorus: He loves lasagna!

Sam: Lasagna it comes in all different ways
Some make it with meat and tomato paste
And some include spinach or olives for taste
Oh I love lasagna!

Chorus: Yes he loves lasagna!

Sam: Let's not forget cheeses, they make it its best
Ricotta and Mozzarella and the rest
Try adding some Feta to give it some Zest!
Oh I love lasagna

Chorus: Yes he loves lasagna!

Sam: Oh I'll eat lasagna for breakfast and lunch
And then have it for dinner, I love it that much!
A chocolate lasagna for a big fancy brunch –
(spoken) Yum!
Oh I love lasagna!

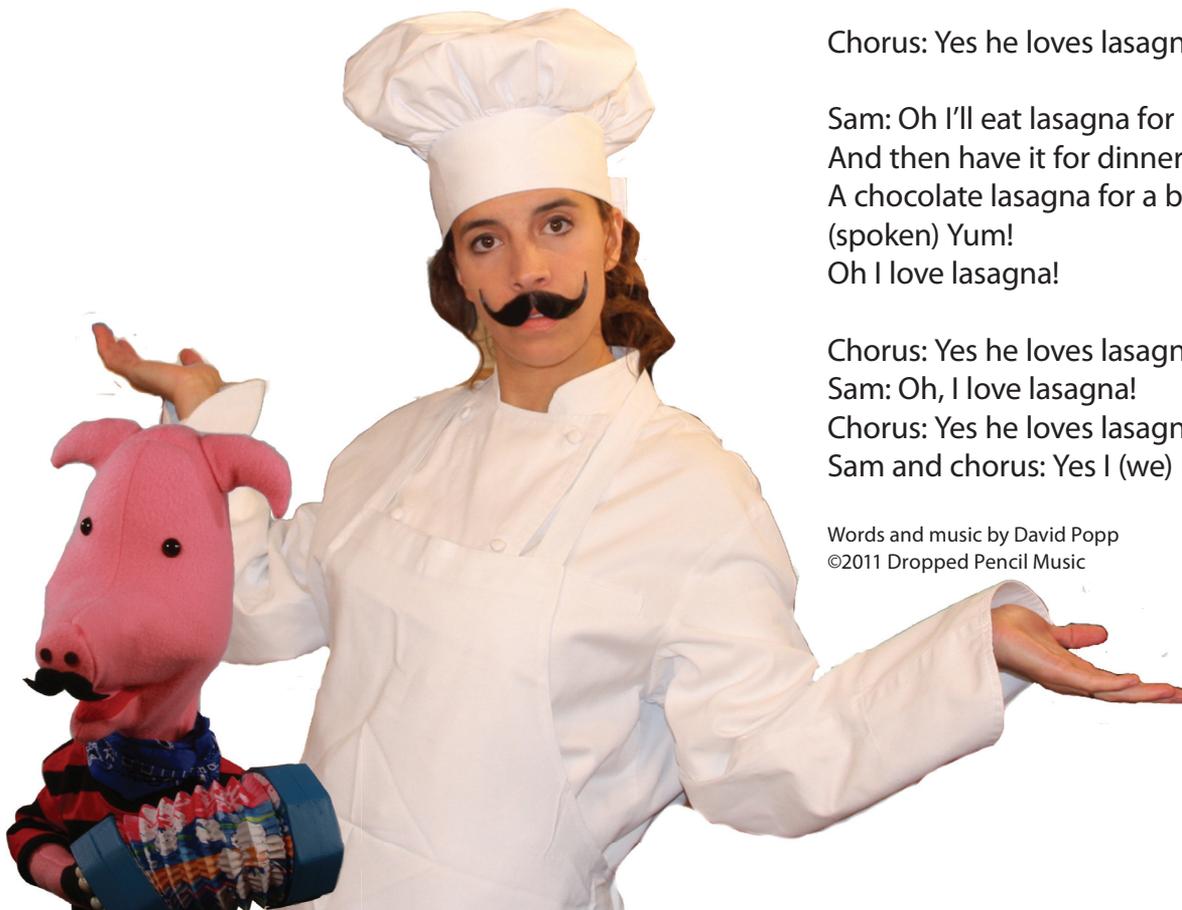

Chorus: Yes he loves lasagna!

Sam: Oh, I love lasagna!

Chorus: Yes he loves lasagna!

Sam and chorus: Yes I (we) love lasagna!

Be a good banana

One banana two banana three banana four
Give a friend a hand and you'll open up a door
Five banana six banana seven banana eight
Help your neighbor out and you'll find you're
doing great!

When a person is in need
There are two things you can do
One is to walk away
But the other is to choose
To show an act of love
And lend a helping hand
Even just a smile
Can matter in the end

Be a good banana,
Showing kindness and respect
Be a good banana
It's what no one will expect
Be a good banana,
Love your neighbors like they're you
Be a good banana,
It's what Jesus said to do

When the salesman in our tale
Was robbed of all he owned
They left him in the desert
Tied up and all alone
He wasn't helped by any
Of those who knew him best
Instead it was a cowpoke
Who saved him from his test

Be a good banana,
Showing kindness and respect
Be a good banana
It's what no one will expect
Be a good banana,
Love your neighbors like they're you
Be a good banana,
It's what Jesus said to do

When the new kid was troubled by bullies
And Fred didn't feel like he knew what to do
He turned to the story of the Good Samaritan
And that's what got them both through!

Be a good banana,
Showing kindness and respect
Be a good banana
It's what no one will expect
Be a good banana,
Love your neighbors like they're you
Be a good banana,
It's what Jesus said to do

One banana two banana three banana four
Give a friend a hand and you'll open up a door
Five banana six banana seven banana eight
Help your neighbor out and you'll find you're
doing great!

Christmas in the Desert

Fred: I sit inside my tent
My camel is beside me
The sun is burning brightly
And melting all my Ice cream

Chorus: Cause Christmas in the desert is sandy
Christmas in the desert is sandy
Santa doesn't know where to find me
Cause Christmas in the desert is sandy,
Yea, very very sandy!

Susie: My tree is all set up
On yonder dune we shine it
I need some big sun glasses
Just so I can find it

Chorus: Cause Christmas in the desert is sandy
Christmas in the desert is sandy
Santa doesn't know where to find me
Cause Christmas in the desert is sandy,
Yea, very very sandy!

Bridge:
Way-o Way-o etc.

Susie: Mom she sent me gloves
Fred: And grandma sent me sweaters
Susie: Dad sent a snow thrower
Both: But down here it don't matter

Chorus: Cause Christmas in the desert is sandy
Christmas in the desert is sandy
Santa doesn't know where to find me
Cause Christmas in the desert is sandy,
Yea, very very sandy!
Christmas in the desert
Christmas in the desert
Christmas in the desert is sandy
Yea, very very sandy
Way-o Way-o

Tomorrow we can try again

Be still my little one
Don't worry 'bout today
Just close your teary eyes
And let it fade away
Dream of the rainbow's hue
To clear the cloudy gray
No matter what's been done
God loves you, little one
Tomorrow you can try again

You want to do what's right
Because you really care
It pains you in your heart
What happened wasn't fair
You wonder how it is
That God could just forgive
No matter what's been done
God loves you, little one
Tomorrow you can try again

When sorrow fills your head
Dream of the brighter days instead

No matter how we try
There will be times we fail
And even when we plan
We don't always prevail
Take heart to know that I
Have struggled just the same
No matter what's been done
God loves you, little one
Tomorrow you can try again

And now it's time for bed
I love you, sleepy head
Tomorrow we will try again
